FOR IMMEDIATE RELEASE

**CLAUDIA HARRISON JOINS EAST BEACH AS ASSISTANT TOWN ARCHITECT**

NORFOLK, Va. - (November 2006) - Claudia Harrison has joined East Beach Company LLC as the assistant town architect. In this position, Harrison will assist with design reviews for home construction in the New Urbanist neighborhood, work with the East Beach Builders Guild and assist with landscape design reviews. Harrison will also serve on the East Beach Design Committee, which reviews all building and landscape designs in the neighborhood.

Harrison previously worked with Dale Overmyer in Washington, D.C. and Murphy & Dittenhafer in York, Pa. She received a master's of architecture from Virginia Polytechnic Institute and completed the certificate program in interior design from the University of New Hampshire. She also has a bachelor of science degree in business administration from the New Hampshire College.

East Beach is situated on 100 acres along the Chesapeake Bay in Norfolk. Surrounded by water, the neighborhood is fashioned after classic Southeastern seaboard coastal villages. The master plan (developed by Duany Plater-Zyberk & Company) for this \$400 million development includes 700 residences, neighborhood restaurants, boutique shops, a Bay Front Club and offices. Public space, walking paths and bay front greens enhance the vistas and create open spaces for the beachfront community. Boating, fishing and water sports of all types are steps away from the neighborhood. East Beach is a unique initiative between the developers, East Beach Company LLC, the City of Norfolk and Norfolk Redevelopment & Housing Authority. East Beach was named the 2006 Community of the Year by the Tidewater Builder's Association. For information, visit [www.eastbeachnorfolk.com](http://www.eastbeachnorfolk.com) or call 757-333-6650.
